Week 2 01/21/2008

# Theatre Elements in Commercial Industry Project

Locate 10 theatrical elements in use in commercial industry. Theatrical elements include specialty lighting, curtains, and pulleys. Each element must be different. The location can be anywhere which is not used for performance of any kind. The location must be specific including the street of the location.

	Theatre Element	Use	Location
Example	Spotlight	highlight art pieces	HCC Art Gallery @ 3517 Austin
